

7 Stories of Hope (for Americans)

Like many others, you may have a spiritual hunger and curiosity to know God and allow him to transform your life. You may also have an interest in sharing this with others. We have seen hundreds of people's lives transformed through this simple process called **Discovery Group**. The purpose is so that you and others can **experience hope**. It can be done by *anyone, anywhere and anytime*—at home with your family, at a restaurant, in a jail, at work, or in a park. This is all you do:

Gather & connect – Ask everyone these two questions:

- What's one thing you're thankful for today?
- What's one thing you're stressing about?

Listen to God –

- Read one of the passages below (Just type the passage in google. We recommend the New Living Version/NLV).
- Retell it - Have everyone tell the story back in their own way, w/o looking.
- Discuss –
 - What does this teach us about God and Jesus?
 - What does this teach us about ourselves/people?

Experience it – Ask everyone:

- What do you want to DO differently based on this Bible passage?
- Who could you tell about this?
