- † Preparing heart, mind and attitude for the ASP experience.
- † Assisting the youth with basic construction skills on the work site.
- † Participating in fundraisers to support ASP.
- † Participating in Oakdale Church ASP activities and meetings.
- † Helping to ensure the youth participate in ASP center activities.
- † Helping to ensure the youth abide by the ASP rules and guidelines.
- † Completing required ASP forms by deadline dates.

I commit my time, spirit, energy and self to ASP. I will participate with the Oakdale Church ASP summer service project team from June 20 to June 26, 2020. There is no fee for adult chaperones, a commitment form, however, needs to be completed.
