

Habits That Will Change The **YOUR** World  
“The Habit of Training”  
[2 Timothy 2:1-2](#)

1) We train others by finding our strength in God’s grace:

- Grace-based strength is a trust that God is for us not against us.
- Grace-based strength is letting God use our weaknesses.
- Grace-based strength is refusing to earn God’s favor and love.

2) We Train others by practicing 3<sup>rd</sup> and 4<sup>th</sup> generation teaching:

- We are teaching teachers not students.
- We are training both truth and technique.
- We are training for obedience not knowledge.
