

On each day of this monthly calendar template, write the name of a family member, friend, neighbor, co-worker, or anyone else you feel led to pray for—30 or 31 in all. Note whether each person is actively walking with Jesus (**A**), not actively walking with Jesus (**N**) or you're unsure (**U**). On the day that corresponds with each name, text that person in the morning: "This is the day of the month that I'm praying for you. Let me know if you have any specific requests." Pray for them in that moment and again if/when you get a response. Let's see what God will do with our faithfulness!
